W.R. GRACE & CO., *et al.*,

Debtors.

Chapter 11

Case No. 01-01139 (JKF)
Jointly Administered

GENERAL OBJECTIONS TO CLAIMANT DISCOVERY QUESTIONNAIRE

“Claimant”) hereby makes the following general objections to the W.R. Grace Asbestos Personal Injury Questionnaire (the “Discovery Questionnaire”):

1. Pursuant to Federal Rule of Civil Procedure 26(b)(4)(B), Claimant objects to the Discovery Questionnaire to the extent that it seeks disclosure of facts known or opinions held by any expert who has been retained or specially employed in anticipation of litigation or preparation for trial and who is not expected to be called as a witness at trial. Without limiting the foregoing, Claimant objects to the following provisions of the Discovery Questionnaire as violative of Fed. R. Civ. P. 26(b)(4)(B):

- (a) Claimant objects to Section C of the Instructions to the extent that it requests the completion of Part II of the Discovery Questionnaire “if you received diagnoses and diagnostic tests relating to the same condition by multiple doctors.”
- (b) Claimant objects to Section C of the Instructions to the extent that it requests the production of “any and all documents” that “support or conflict with your diagnosis.”
- (c) Claimant objects to Section C of the Instructions to the extent that it requests the production of “all x-ray readings and reports.”
- (d) Claimant objects to Section C of the Instructions to the extent that it requests the production of “all pulmonary function test results, including the raw data and all spirometric tracings, on which the results are based.”
- (e) Claimant objects to Section J of the Instructions to the extent that it requests the production of “any and all documents” that “support or conflict with your diagnosis.”
- (f) Claimant objects to Part II of the Discovery Questionnaire to the extent that it requests disclosure of “diagnoses and diagnostic tests” by “multiple doctors” concerning “previous or subsequent diagnoses or diagnostic tests that change or conflict with the original diagnoses.” Claimant urges this objection with regard to all “conditions” for which disclosure is requested.

2. Claimant further objects to the Discovery Questionnaire to the extent that it seeks disclosure of any privileged communication between Claimant, and/or a representative of Claimant, and any attorney for Claimant, and/or a representative of any attorney for Claimant. In addition, pursuant to Federal Rule of Civil Procedure 26(b)(3), Claimant objects to the Discovery Questionnaire to the extent that it seeks disclosure of the work product of any attorney for Claimant, including but not limited to the mental impressions, conclusions, opinions or legal theories of any attorney or other representative of Claimant. Specifically, and without limiting the foregoing, Claimant objects to the following provisions of the Discovery Questionnaire as violative of the attorney-client communication and/or attorney work product privileges:

- (a) Claimant objects to Part II of the Discovery Questionnaire to the extent that it asks if Claimant “retained counsel in order to receive any of the services performed by the diagnosing doctor.”
- (b) Claimant objects to Part II of the Discovery Questionnaire to the extent that it asks if “the diagnosing doctor was referred to you by counsel.”
- (c) Claimant objects to Part II of the Discovery Questionnaire to the extent that it asks if Claimant is “aware of any relationship between the diagnosing doctor and your legal counsel” unless

Claimant's knowledge was obtained other than through communication with Claimant's legal counsel and/or his/her representative.

- (d) These objections are urged with regard to each instance that the above questions are asked in sections 2, 3, 4, 5, 6 and 7 of Part II of the Discovery Questionnaire.

3. Claimant further objects to Part VII the Discovery Questionnaire to the extent that it seeks disclosure of information relating to litigation and claims regarding silica as irrelevant to the issues concerning Claimant's asbestos claim against W.R. Grace & Co. and/or its affiliated debtors.

4. Claimant further objects to Section a.6 of Part VII of the Discovery Questionnaire to the extent that it seeks disclosure of settlements reached with other defendants that are subject to binding confidentiality agreements.

5. These general objections are made in addition to, and without waiver of, any specific objections contained within the responses to the Discovery Questionnaire itself. This covering sheet is intended to be, and is hereby, incorporated into the Discovery Questionnaire as if repeated therein verbatim in full.

6. By submitting this response to the Discovery Questionnaire, Claimant does not intend to, and hereby does not, submit to the jurisdiction of the United States District Court for the District of Delaware, to the United States Bankruptcy Court for the District of Delaware, or to any other court. Claimant reserves (i) all objections to jurisdiction and/or venue, (ii) all protections afforded under Federal Rule of Civil Procedure 45 and Federal Bankruptcy Rule of Procedure 9016, and (iii) the right to jury trial afforded under 28 U.S.C. § 157(b)(5).

Re: W. R. Grace & Co. Bankruptcy

Dear Sir or Madam:

Enclosed please find Claimants represented by Provost ★ Umphrey's Objections and Answers to W.R. Grace Asbestos Personal Injury Questionnaire. These questionnaires were responded to on behalf of all claimants for which Grace requested information. Each Questionnaire should be read in concert with the enclosed documentation, and Objections and Answers included for each Claimant. These packets are intended to be considered answers to W.R. Grace Asbestos Personal Injury Questionnaires, and for no other purpose.

Previous to your receipt of this, you should have received a return shipment of Questionnaires that were sent to us, but because of a lack of identifying information, we were not able to identify as being Provost ★ Umphrey Clients. With that shipment, we noted that if the debtor were able to provide more identifying information on these claimants, we would search our records and answer on behalf of any Provost ★ Umphrey clients.

Sincerely,

Colin D. Moore
